How do you use the sodastream fizzi one touch

Let's assemble your SodaStream and make some sparkling water! Step 1: Assemble the parts. You'll need a full SodaStream carbonating cylinder, a bottle, and your One Touch. Take your cylinder and unscrew the cap. Open the back panel of your sparkling water maker, insert the cylinder, and screw the top into the machine. Tighten firmly but do not force it too much. Secure the power cord & replace the back panel. Step 2. Plug it in. LEDs will light up when it's ready to go. Step 3. Fill & insert the bottle. Fill the bottle with water up to the indicator line. Move the support handle outward and push the bottle up and in. You should feel the bottle lock into place. Step 4: Let's bubble! You're finally ready to push the button! Choose one of the 3 carbonating level buttons on top of your One Touch. Press once to select it. Press again to start the carbonating cycle. Enjoy the puffing noises and watching the bubbles. Step 5: Bask in the bubbles! Firmly hold the bottle and move it outwards to remove. Enjoy! Try adding a few drops of fruit essence, flavors, or fresh fruit to flavor your sparkling water. Pro Tip: Sparkle smarter and always keep a spare cylinder! Do you have a downloadable instruction manual available? Download the manual here. What are the differences between the ART, TERRA, One Touch, and Aqua Fizz Sparkling Water Makers? The ART Sparkling Water Maker celebrates the art of making your own fresh sparkling beverages at home. With a push of the lever, turn flat water into fresh sparkling water and customize it to your liking. TERRA is an extremely convenient Sparkling Water Maker. The new quick connect patent-pending technology makes your cylinder connection easy and intuitive, and the updated modern design along with a bigger carbonation button make bubbling quick and easy. The TERRA also comes with an easy-to-clean, dishwasher-safe carbonating bottle. The One Touch™ is our electric model. It has 3 sparkle presets for automatic carbonation levels, so everyone in the family can easily prepare sparkling water to their taste. The Aqua Fizz™ is our premium model, and features a dishwasher safe glass carafe that's perfect for hosting friends and family. I want to place an order.
